

Coast Capital Savings and the Victoria Highlanders FC approached Boys and Girls Club Services of Greater Victoria to be involved in their charity event on July 17th. This great opportunity consists of players and coaches coming out to our Earth Adventures Summer Day Camp on July 16th for two hours to share their skills, mentor the youth and enjoy all that our camp has to offer. In addition, through a random draw, a few kids from camp will be given the opportunity to attend the Highlanders vs Kitsap game as player escorts and ball retrievers throughout the game as well as to participate in a mini game at half time. To top it all off, Coast Capital Savings has generously donated tickets for the kids to attend the game with a family member. Boys & Girls Club will also be running a 50/50 draw at half time with all proceeds going towards our organization....it doesn't get any better than that! Our sincerest thanks to Coast Capital Savings and Victoria Highlanders FC for this great opportunity for our families and organization!
