Create a Christmas Ripple with Boys & Girls Clubs

Victoria, BC...November 29, 2005 – Share an evening of love, hope and family and help raise money for the Boys & Girls Clubs' Wilderness Camp in Metchosin. The proceeds from the December 14th Belfry production of *The Syringa Tree* will go to the Boys & Girls Clubs of Greater Victoria Foundation, thanks to the Belfry's "Buy Our House" program and generous sponsors, Carmanah Technologies, Peninsula Co-op and Perma Construction.

Wednesday, December 14th, the Belfry travels to South Africa to follow the story of two South African families, one black, one white and the children that are born into their shared household. The tale follows their destinies through four generations from early apartheid to present-day free South Africa. This powerful production will touch your heart and warm your soul.

The evening begins at 7:00 pm with a reception complete with tasty hors d'oeuvres and no-host bar. The Wilderness Camp will be showcased with displays and information. See photos of the 98 acre property and architectural renderings of the Boys & Girls Club vision. Understand how easy it is to Create a Ripple in our community. The show begins at 8:00 pm

Through the Create a Ripple Campaign Boys & Girls Clubs of Greater Victoria is raising \$4.17 million to fund their Wilderness Camp. Since 1984 Boys & Girls Club Services has operated the camp and provides a wealth of activities and challenges such as hiking, canoeing, swimming, rock climbing, and low-level ropes course. The camp is a place where kids can be kids, while learning about themselves and the natural world.
